

CVTRACKER™

www.cvtrack.com

You want a job.
You want to earn a living.
You want to pay your mortgage.
You want to put your kids through college.
You want a meaningful career.
You want to enjoy the luxuries of life.

YOU ARE A JOB SEEKER.

Your Network Now

Where Your Network Should Be

Your Data Now

Where Your Data Should Be

TRACK YOUR DATA ➡ LEVERAGE YOUR NETWORK ➡ LAND A JOB

Take advantage of the ability for **CVTracker™** employer relationship management software to place data at your fingertips. It's a tool for the job seeker. Make sure you know who you've talked to, how you met them, what you said to them, which documents you sent to them. Learn to multitask. These are essentials in being able to leverage your personal network.

Convert your connections into job opportunities.

Proactively manage your job search and make sure the tools you use
make it easier to find a job in less time.

Organize your job campaign with the **CVTracker™**, the *job seeker's* personal network management tool.
